The IQAC is a mechanism to build and ensure quality culture at the institution. The prime task of the IQAC is to develop a system for conscious, consistent and catalytic improvement in the performance of the Institution. Thus Planning, Guidance and Monitoring quality initiatives are the three prime activities of the Cell. Being guided by this motto, the IQAC of Swarnachud College, Mitrapur undertook several steps. A Seminar was organized to discuss about the Courses of Studies in the light of the changes brought about by the introduction of CBCS Syllabus. The Members put forth their first hand experience inside the Classroom & a brainstorming session was held on the method of its effective implementation. The necessity of acquainting the Students with the CBCS pattern was felt imperative. All the Departments organized Seminar with the topic chosen from the CBCS & Students were motivated to present Papers on the Topic. The College Hostel was repaired & renovated. Measures were taken to install Transformer inside the premises and introduce three Phase connectivity to the Campus. The NSS & YRS Wing of the College actively organized the Extracurricular and Extension Activities in which the local public, villagers & the Swayam Sevak Groups were roped in to present Swarnachud College as an Institution with social responsibility. The IQAC also initiated Green, Energy, Academic & Library to ensure transparency & functionality. Memorandum of Understanding was executed with Odisha Rubber Products, Balasore & Hari Plast, Balasore to facilitate the Students for Industrial Tours and develop their mind towards self-reliance and entrepreneurship. A Programme like "Meet The Industry Experts" was launched to give proper exposure through a direct tet-a-tete.
