**ALUMNI SATISFACTION REPORT (2019-20)**

A number of questions were asked from the Alumni of the College to appreciate their valuable feedback in improving the infrastructure offered by the Institution and to know how effectively the College has contributed in their career building. The questions included their basic information like their basic details and information about their Present Organization and Designation. A number of statements like whether the Alumni feels proud to have been associated with College Development Activities, The alumni felt valued and came up with their genuine feedback. Other than the above questions, the alumni were also asked to rate how much the College has been successful in improving the necessary infrastructural facilities offered by the College. The alumni were requested to rate the facilities ranging from poor to excellent over the past. Accordingly, a score of 0 to 1 were assigned and the score was compared across the two time periods, 'Now' and 'Then'. Subsequently, the results so arrived at were averaged to come up with results. It was satisfying to note that all the averages were above zero indicating at a good performance by the College. Starting with the Infrastructure facilities, the alumni indicated at an improvement in this front with a score of 0.75 (as indicated in Table 1). Library facilities also showed improvement with an average of 0.82. The College also has a provision for Knowledge Resource Centre which too showed a positive result with a score of 0.62. Not everything can be taught within the four walls of classroom and accordingly students need to perform the things practically in Laboratories. Accordingly, they showed a positive perception with a score of 0.56. The alumni also commented on the improvement of the canteen services with a score of 0.55. The facility of a well equipped Girls Common Room is of immense importance in any Institution. It was heartening to know that the alumni acted positively by giving an average score of 0.68. The college also acknowledges the special needs of differently abled students. The Alumni also positively perceived the faculties with score of 0.85 respectively. Conclusively, the College seems to be on the right track given the positive response received from the alumni.
