

DEPT. OF CHEMISTRY

SEMINAR REPORT ON THE TOPIC "*BIODEGRADABLE PESTICIDES*"

Dt:- 20.12.2015

A seminar was organized by Dept. of Chemistry on 20.12.2015 on the topic "*BIODEGRADABLE PESTICIDES*" under the chairmanship of the Principal, Dr S.K. Panigrahi,. Dr S.K. Adak, Sr Scientist, CRRRI Cuttack attended the Seminar as Chief Guest. He highlighted the adverse effect of Hazardous Non-Degradable Pesticides and focused on the wide use of Biodegradable Pesticide in our cultivated land. Mr S.P. Chand, HOD, Chemistry introduced Guest on dias and Mr P.K. Mohapatra, Lect. In Chemistry gave vote of thanks. About 30 students were present on the said Seminar.

DEPT. OF CHEMISTRY

SEMINAR REPORT ON THE TOPIC *"THE ROLE OF METAL IONS IN BIOLOGICAL PROCESSES"*

Dt:- 06.08.16

A seminar was organized by Dept. of Chemistry on 06.08.2016 on the topic *"The role of metal ions in biological processes"* under the chairmanship of Mr. S.P. Chand, HOD, Chemistry where Mr. Pramod Ku. Satpathy, Associate Professor, NOU, Baripada was present as Chief Guest. He focused on different metal ions present in our body and their functions in everyday life. Mr. P.K. Mohapatra, Lect. In Chemistry participated in the technical session about the toxicity of different ions and their extraction from body. Approx. 22 students were present in that seminar.

SEMINAR REPORT ON THE TOPIC "*BIODEGRADABLE POLYMERS*"

Dt:- 05.08.2018

A seminar was organized by Dept. of Chemistry on 05.08.2018 on the topic "*BIODEGRADABLE POLYMERS*" under the chairmanship of Mr. S.P. Chand, HOD, Chemistry where Dr Lingaraj Behera, Associate Professor, NOU, Baripada was present as Chief Guest. He focused on *BIODEGRADABLE POLYMERS* used in different fields and their roles in everyday life. Mr. P.K. Mohapatra, Lect. In Chemistry participated in the technical session. Approx. 22 students were present in that seminar.

A Report on the Seminar on the Topic ' COMPOSITE POLYMERS'

On 4th September, 2019

A Seminar on the topic "COMPOSITE POLYMERS" was organized by dept. of Chemistry under the chairmanship of Mr. Sakti Prasanna Chand, HOD where Dr. Lingaraj Behera, Associate Professor, North Orissa university was invited as Chief Guest. The main objective of the Seminar was to focus on characterization and the role of composite polymers to the society. Mr. S.P Chand ,HOD Chemistry delivered on the market viability of such composites. Dept. faculty Mr. Prasanna Ku. Mohapatra highlighted on different research Lab. in the field and advised students to pursue their education in the field of Polymer Science. Approximately 25 Students, non-teaching staff of the department and Faculties of other Science departments participated in this Seminar.
